

**Community Wealth Ventures, Inc.  
Job Description**

**Position:** Summer Internship (MBA)  
**Type:** Full-time, temporary position  
**Duration:** Minimum 10 weeks  
**Location:** Washington, DC

**The Organization**

**Community Wealth Ventures (CWV)** is a leading management consulting firm that emboldens and equips leadership teams to innovate, grow and sustain organizations that build a better world. CWV offers strategy and implementation services to nonprofit organizations and philanthropic foundations. CWV partners with its clients to design and implement innovative approaches to growth and sustainability. CWV supports nonprofit sustainability through a variety of strategies, with core expertise in social enterprise and social franchising. CWV's collaborative approach to consulting focuses on equipping leadership teams with the skills needed to execute the strategy.

CWV is a wholly-owned, for-profit subsidiary of Share Our Strength, a leading anti-hunger and anti-poverty organization. Profits generated from CWV's consulting services support Share Our Strength's anti-hunger mission. CWV is based in Washington, DC but serves clients across the country.

**Position Summary**

The MBA Intern will join the CWV consulting staff in providing coaching, consulting services, research and analysis, and/or capacity building to a focused selection of nonprofit and foundation clients. The MBA Intern will work alongside CWV's highly energetic and committed team of management and consulting staff and gain exposure to innovative approaches used to enhance the sustainability of social sector organizations.

**Responsibilities**

- Providing customized, business-focused consulting and strategy development assistance to nonprofits and/or foundations.
- Developing client presentations and business plans.
- Conducting market research and making tactical recommendations.
- Providing hands-on and strategic support to CWV's social media programs.

**Experience/Education**

- Bachelor's degree required.
- Must hold an MBA (or equivalent degree) or be currently enrolled in an MBA program.
- 3 to 5 years of business consulting or comparable experience strongly preferred.
- Demonstrated proficiency in developing and articulating logical solutions to business challenges.
- Professional experience using Microsoft Office, particularly Word, Excel and Powerpoint.

**Knowledge & Skills**

- Demonstrated ability to conduct efficient and thorough market research required.
- Ability to communicate clearly, concisely and effectively, both verbal and written.
- Able to remain professional & flexible while managing competing priorities in a fast-paced environment.
- Able to address problems with positivity, creativity and a solution orientation.
- Able to thrive in and contribute to a collegial and collaborative environment.
- Demonstrated sense of responsibility and ownership over work.
- Ideal candidates will be optimistic, energetic and passionate for social change.

**To Apply**
